NSA MECHANICSBURG | COMMUNITY RECREATION

LEVEL UP  
AT YOUR LIBRARY

The NSA Community Recreation Office welcomes readers of all ages to join us starting on **Monday, June 2<sup>nd</sup>** as we launch the DoD MWR Libraries "Level Up at Your Library" Summer Reading Program for 2025.

This particular program is designed for military personnel (active or retired), DoD employees and family members to keep reading skills sharp this summer and prevent the "summer slide".

"Level Up at Your Library" will inspire readers to think in new ways through play. This program is based around puzzles and games encouraging readers that playing is, in fact, learning.

The best part? Readers earn **FUN INCENTIVES** to encourage reading now through August 1<sup>st</sup>, 2025 when the program wraps up.

**DID YOU KNOW?** Children who do not read over the summer months can lose up to 2 months of learning by the time they return to school this fall.

Children who participate in the Summer Reading Programs and read a maximum of 6 books over the summer score higher in reading and math when they return to school.

Proudly sponsored by United Through Reading  
No Navy endorsement implied

"With Level Up at Your Library, we hope to remind all of us about the things that made us excited about libraries in the first place: The fact that the library is a space where learning gets to be joyful and fun, where lessons can be made into games, and where puzzles are just another question we can answer."
